

WELCOME TO ST JOHN'S CHURCH!

Saint John's Church is an epicenter of Catholic activity! Within our parish boundaries there are numerous Catholic enterprises and educational institutions. From these organizations a strong Catholic community developed around St. John the Baptist Church, which has grown to attract large families and young adults alike. Many of our parishioners have moved to the Front Royal area specifically for the supportive Catholic atmosphere. The fruit of this robust Christian community is an active, growing Catholic population.

This booklet contains contact information and a brief explanation of our parish organizations and ministries, various Catholic community organizations, schools and local charitable organizations; and ends with the history of our church and a map of the church grounds.

We encourage you to become an active member of our parish - sharing your gifts, talent and prayer for the good of your neighbor and for the Glory of God!

Welcome and May God bless you!

Parish History

The origins of St. John's Church

St. John the Baptist Catholic Church is unique in that it was built as one of very few “memorial” Catholic churches in the United States dedicated to an individual. That individual is a man named John Carrell Jenkins. The Jenkins family history is traced back to some of the earliest Catholic pioneers to come to America in the 1600's.

John “Carrell” Jenkins was born on June 14, 1834 in Baltimore. Described by family as “easy in manner and gentle in voice... generous to a fault, especially to those in distress; ever ready to defend the unfortunate or to repel an unkind word.”

As a young man in his 20's Carrell joined the prestigious Maryland Guard to help quell the violence and protect certain parts of Baltimore. Locally and nationally the unrest came to a head in 1861. Carrell was caught up in America's Civil War for only 4 months before contracting typhoid fever. On the morning of October 11, 1861, John Carrell Jenkins passed away in Warm Springs, VA.

Approximately 20 years later, the Jenkins family requested that a chapel be built somewhere in western VA in memory of Carrell. The request was granted by Bishop John Keane of Richmond and the corner stone was laid on October 7, 1883 in Front Royal. The Jenkins family paid for the entire church to be built and provided the pews, bell, altar,

sacred vessels and vestments. Some of these items are still in use at St. John's Church today.

Saint John the Baptist Catholic Church was dedicated on September 7, 1884. A marble tablet was placed on the wall of the Church where it remains today, reading:

Pray for the Soul of John Carrell Jenkins

- Died October 11, 1861 -

Out of Whose means Principally

this Church has been Erected

Mission Church then Parish

For over 50 years, St. John's Church was a mission church with priests from Winchester coming once a month to administer the sacraments and celebrate Mass. On July 6, 1940, St. John's was designated as a parish, with its first pastor being Fr. Martin T. Quinn.

On June 24, 1998, a new larger church was dedicated next to the original, under the pastor, Fr. William Ruehl. The original church was designated part of the Front Royal Historical District in 2003 and listed on the National Register of Historic Places. A renovation of the original church was undertaken in 2006-7 and it continues to serve as an Adoration Chapel to this day.

As the number of Catholic Hispanics in our area began to grow, their need for a Spanish Mass and Catholic fellowship became apparent. In 2008 Fr. Daniel Gee initiated a weekly Sunday Mass in Spanish at St. John's Church. The community has been growing ever since, and we currently serve approximately 300 Hispanic families.

St. John's total number of parishioner families is over 1950.
